Dear Scholarship Applicant,

Art4Life is a small, non-profit organization that receives no outside funding. A scholarship means we write off some of your tuition and you pay a flat fee of \$150 per month. We try hard to help all of our families who need assistance, those who need more than we can offer are invited to apply with the Oregon Department of Adult and Family Services, as they may provide funds for full tuition if you qualify.

Scholarships are due at the same time as tuition (by the 1st of every month). A late fee of \$25 will apply if you are late the first month and the scholarship will be canceled if you are more than two months behind in your payments.

Scholarships will be considered STARTING on the date they are received and are NOT retroactive. In addition, scholarships are never prorated; meaning the amount due regardless of attendance. If you remove your child/children from the Art4Life program, please submit a Change of Schedule by the 10th day of the month. Scholarships will NOT be granted unless ALL of the information is filled out, included, and returned to us, including the Portland Public School free lunch letter and 1040.

Thank you and we look forward to serving you!
