Family Size: Adults _____ **Children** _____

Annual Income (this includes child support) Please attach your files 1040 IRS 2024 or foreign tax return:

****BOTH SIDES OF THIS FORM MUST BE COMPLETED****

Dear Scholarship Applicant,

Art4Life is a small, non-profit organization that does not receive outside funding. When Art4Life grants families a partial scholarship, a portion of their child's monthly tuition is written off and, in turn, families pay a flat fee of \$150 per month.

We try hard to help all of our families who need assistance. Please ensure you do not qualify for Oregon's [Employment Related Daycare Assistance](#) before applying for a partial scholarship.

What partial scholarships cover:

- Monthly tuition, no matter your child's schedule.
- Drop-in fees *** Please check in with your school's site director to ensure space.
- All day care *** Sign-up is required for these days and space is limited. A partial scholarship does not guarantee space for these days.

What partial scholarships do not cover:

- Finders fees- If your child is scheduled to attend Art4Life but is absent due to illness or appointment, parents must notify the site director. If your child does not arrive at Art4Life when expected, and the site director was not notified, you will receive a \$15 Finders Fee on your next invoice that is not covered by the monthly \$150 scholarship payment.
- Late Pick-Up Fees- If your child is not picked up by Art4Life's closing time, parents owe the attending Art4Life staff \$2 per minute that they are late. The \$150 monthly scholarship payment does not pay for this.

Scholarship payments are due at the same time as tuition (by the 1st of every month). A late fee of \$25 will apply if you are late the first month and the scholarship will be canceled if you are more than two months behind in your payments.

Scholarships will be considered STARTING on the date they are received and are NOT retroactive. In addition, scholarships are never prorated; meaning the amount due regardless of attendance. If you remove your child/children from the Art4Life program, please submit a Change of Schedule by the 10th day of the month. Scholarships will only be granted if ALL of the information is filled out and includes the 1040 tax form.

Thank you and we look forward to serving you!
